

DIEGO M. TAVELLI H.

FULL STACK DEVELOPER

PROFILE

I am a person committed to my work, perseverant and passionate about coding.

I usually distinguish for my communication skills and the way that I get involved in my work environment, Tolerant, positive and proactive.

My goal is to be part of a team where harmony, understanding and commitment prevail. I believe these are fundamental factors to be able to deliver quality software and boost my career as a developer.

EXPERIENCE

Full Stack Developer

Henry's Project | July 2022 - August 2022

- Developed a web page using postgresSQL, sequelize and NodeJs in the backend, and used ReactJs and Redux for global state management in front end.
For information consumption I used an external API.
<https://the-pokemon-app.vercel.app/>

Front End Developer

Henry's Project | August 2022 - October de 2022

- Mobile application created with MongoDB, NodeJs and Express in backend. In frontend React Native and Redux, dedicated to the sale of airline tickets and a Web Administrator to track sales and customers information who use our App.

EDUCATION

Henry's Bootcamp

Full Stack Dev | April 2022 - October 2022

- Web development based on Javascript, React, Redux, Node, Express, SQL & Sequelize
